## President's Message

Thanks to all who have been spreading the word about Kosmos. We've been having a steady flow of new members at every Mixer. Thanks also for doing your part in making them feel welcome.

I've heard lots of reports of a great time at the Super Bowl Party – had fun cheering for opposing teams. Some liked the outcome and some not, but all enjoyed the game and camaraderie. The food was great as always at Kosmos parties; we have some of the BEST cooks around.

I hope to see you soon at one of our activities or mixers.

*Martha*
